

LENO CONTRACTORS

• Company **Profile 2024**

- **About**
LENO CONTRACTORS

LENO Contractors Ltd is a General Construction Company, based in Kampala,

Uganda. We are highly specialized contractors with over 7 years of building and civil industry experience.

We operate an integrated business model, offering our clients Professional Building Construction Services, Design & Build Services and Efficient project management.

LENO Contractors Ltd provides excellence in a wide range of commercial, residential,

industrial/civil, refurbishment and fit-out projects across Uganda. The company has earned recognition for its vast portfolio of projects, most of which are landmarks and popular establishments, for reputable clients and leading consultant firms.

At Leno, we engage our planning and management skills to deliver the highest standards in construction, embracing new technology and striving to bring innovative and unique ideas on all our projects.

“

We are committed to providing the best possible construction expertise & service to ensure cost effective and successful projects.

We work closely with our clients to accurately interpret their dreams/visions in drawings and bring them to the desired reality through construction solutions to meet their needs; We communicate with our clients throughout the construction process to keep them informed of the progress and to

• Our Belief

We believe and Promote Quality Delivery

• Our Services

General Building Construction

Commercial

From shopping Malls and Hotels to Office Buildings, Medical & Educational Institutions, We are proud to hold an extensive portfolio of commercial buildings having worked with both, large companies and smaller developers, to deliver a wide array of commercial properties

Residential

Our portfolio represents modern, architect designed residences and historic home projects, of both modest and expansive scales - from apartment blocks and

commercial residential estates to private maisonettes, bungalows or villas.

Modern Interiors and Fit-Outs

We have carried out interior fit-out work with renowned designers, architects and clients, combining functionality, economy and aesthetics.

We ensure that your ideas and designs are implemented into your space, with our

capabilities and experience enabling both small and large scale fit-out projects to be carried out successfully.

Industrial Civil

Being a versatile company, Leno Contractors Ltd has vast experience in the construction, extensions and refurbishments of factories, warehouses and other industrial establishments.

Refurbishments

We handcraft our work to meet your expectations, working with you to plan, design and execute your renovation as you imagined it.

Our refurbishment expertise includes residences, hotels, commercial offices, warehouses and other establishments.

Design & Build, from Initial Sketches

We offer turnkey project delivery

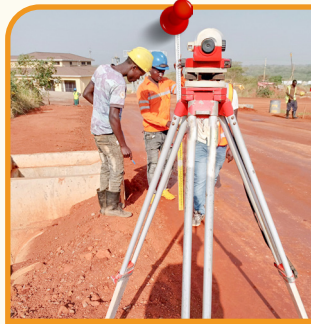

by bringing the planning, design, project management, cost management and construction of the project together, under one roof.

Clients benefit from value-engineering and pre-

construction reviews, accelerated delivery, increased quality control, lower design and consultation fees, reduced owner risk and administrative responsibilities.
